

Ezra Linnan

Gainesville, FL | (920) 559-0316 | ezralinnan@ufl.edu | www.linkedin.com/in/ezra-linnan

Undergraduate Data Science student (UF Honors College) with experience in ML/AI, including deep learning, NLP, data pipeline, and LLM implementations, seeking professional internships with real-world impact in data science

Education

University Of Florida – Honors College

Gainesville, FL

B.S. in Data Science | GPA: 3.88 / 4.0

Expected May 2028

- **Relevant Coursework:** Programming Fundamentals I & II, Linear Algebra, Programming with Data, Discrete Structures
- **Awards:** Undergraduate Research Scholars Program Inductee, Honors, Student Involvement Award for Innovation

Sevastopol High School

Sturgeon Bay, WI

High School Diploma, STEM Emphasis | GPA 4.0 / 4.0

June 2024

- **Awards:** Valedictorian, 36 ACT, U.S. Presidential Scholar, Heisman Scholar Finalist

Experience

Door Shakespeare – Data & Operations Intern

May 2026 – Present

Egg Harbor, WI | Nonprofit Performing Arts Center

- Building an NLP sentiment and topic modeling pipeline using RoBERTa and BERTopic for theater review analysis
- Developing a ticket sales forecasting and demographic analysis models using Folium and CRM data to support operations
- Streamlining internal operations, performing data cleaning, and standardizing CRM guidelines for future efficiency

GatorAI – Project Team Member

January 2026 – April 2026

Gainesville, FL | Student AI Research Team

- Spent 10 weeks building a diffusion model to denoise raw weather data and feed into a custom LSTM to predict commodity returns
- Owned the forward and backpropagation integrations of score-based diffusion, as well as presenting findings formally to advisors

Soltis Lab – Undergraduate Research Assistant

January 2025 – June 2025

Gainesville, FL | Florida Museum of Natural History

- Named co-author on a peer-reviewed manuscript presenting the first genomic assembly of *Carya glabra* (pignut hickory)
- Built data processing pipelines on large PacBio HiFi (~30x coverage) and Hi-C datasets, integrating data sources for analysis
- Performed rigorous data cleaning, validation, and quality control to ensure reproducible results and reliable downstream inference

Activities

Club Underwater Hockey – Captain

November 2019 – Present

Sturgeon Bay, WI / Gainesville, FL | Previously: Vice-Captain (2023-25)

- Awards: 2023 National Champion, 2024/2026 Junior World Championship Qualifier

Freshman Leadership Council – Vice Chair of Membership

September 2024 – Present

Gainesville, FL | Previously: Director of Programming (2025-26), Council Member (2024-25)

- Led a programming committee of 13 members to plan and execute an award-winning nonprofit concert for rising musicians
- Appointed Vice Chair of Membership for 2026-27 cycle, overseeing curriculum development and accountability responsibilities

UF Delta Chi Fraternity – Director of Philanthropy

January 2025 – Present

- Organized 6 philanthropic events and community outreach initiatives, overseeing a 12-person committee and \$3000 budget

Skills

Languages: Python, R, SQL, C++

Technical: PyTorch, Git, machine learning, deep learning, pandas, XGBoost, LLM, transformers, MS Office, NLP
